

PHOTO SUBMISSION GUIDELINES

The following page includes the guidelines for submitting images/photos to the National 911 Resource Center (NRC) website.

**GUIDELINES FOR SUBMITTING IMAGES/PHOTOS TO
THE NATIONAL 911 RESOURCE CENTER
*FOR USE IN PRINT AND ELECTRONIC PRODUCTS***

The NRC encourages its traffic safety partners to submit photos suitable for use in our publications. When submitting photos or electronic images, please follow the guidelines outlined below:

Photos for Print and Web: Photos provided for publications should be submitted to 911ResourceCenter@dot.gov. The photos should be provided in a high-resolution file at 300 dpi, in either a JPEG or TIF file format. Please clearly indicate details about the files (i.e., format, file size) in the email upon submission.

If you have any questions, please contact the National 911 Resource Center at 911ResourceCenter@dot.gov.

PHOTO RELEASE FORM

The following page includes a release form for authorization for use of images and/or photos. In accordance with USDOT/NHTSA, this form must accompany any photo supplied by an outside source. This form indicates that the human subjects authorize NHTSA to use the photo in its publications and/or on the National 911 Resource Center (NRC) website.

<p style="text-align: center;">RELEASE FORM</p> <p style="text-align: center;">AUTHORIZATION FOR USE OF IMAGES/PHOTOS</p>

I, _____ (print or type name), give my permission to the NRC to use, reproduce, publish, exhibit, and disseminate the images/photos listed below, and to allow others to do so.

I understand that these images/photos will be used by the NRC, and others authorized by the NRC, only for public education purposes related to issues of public safety, and in no event for commercial purposes. Further, these images/photos may be included in public information and education products, including print and electronic publications. I further understand that the NRC is not responsible for the unauthorized use of the images/photos by any third party.
